General Commercial Insurance

**Bespoke cover arranged by professionals
who understand your business**

Commercial insurance requires bespoke cover arranged by professionals who understand your business and who have access to a wide range of policies aimed at your own particular hazards.

At Hallsdale Commercial we understand the special insurance needs of commerce and industry and have developed relationships with insurers able to meet your specific needs. We pride ourselves on our ability to find solutions to your commercial insurance requirements and as a result have considerable experience in the provision of specialist commercial insurance to companies such as yours.

The policies we offer have been developed in conjunction with a variety of insurers and can cater for companies in virtually all areas of trade and industry. The only requirement is that you run a good quality business with a desire for good quality service from your insurance professional.

Whether you are a pharmaceutical manufacturer, a supplier of cleaning fluids for gas turbines in North America, a company manufacturing and supplying motor parts across the UK or a single site printer, we have the solution for you.

Furthermore, as companies expand not only within the UK but increasingly into Europe and further afield, we are asked to provide cover on a multinational basis.

It is therefore comforting to know that under our facilities for companies such as yours and in partnership with our suppliers we have multinational capability allowing us to provide cover locally in over 90 nations around the world.
