Insurance for Property Owners Providing the high-quality cover that you and your tenants seek

As a property owner, you need an insurance broker who understands your requirements and is able to provide the high-quality cover that you and your tenants seek.

At Hallsdale Commercial we specialise in Insurance for property owners. Whether you own a single property, or manage a multi-million-pound portfolio we have the experience and bespoke facilities for you.

Your policy can include the following:

- Insurance for listed properties
- Insurance for buildings of non-standard construction
- Insurance for unoccupied buildings
- Insurance for high risk tenants
- Computer based solutions for issuing of tenant's certificates and invoices for direct tenant billing
- 'All Risks' cover across a wide range of properties including Subsidence
- £5million property owners liability
- Cover for loss of rent and/or alternative accommodation
- Environment impairment liability.

The policies offered are underwritten by a range of high-quality insurers with the financial security and standing that you will require. We would now welcome the opportunity of providing a review and quotation for your own requirements.
